

Letter of Commendation

presented to

Mr. Thomas Fraser

in recognition of his exemplary service to the community during the COVID-19 pandemic, and particularly, the organization of the Fraser Clan Residential Block Party last August 16th in his neighbourhood on Enfield Avenue in Vanier. A diversity of neighbours were treated to a musical performance by the Sons of Scotland Pipe Band and a performing arts presentation by the Katherine Robinson School of Highland Dance, in addition to ice cream from Mr. Sundae's ice cream truck, and horse-drawn wagon rides by Cundell Stables.

Thomas Fraser also merits accolades for his philanthropic support to the Sons of Scotland Pipe Band, benefitting musical education and resources.

On behalf of Members of Ottawa City Council, I salute Thomas Fraser for his valuable contribution to enhancing the quality of living of our community.
