Dear Bethany,

Sons of Scotland Pipe Band at Balhousie Castle

Thank you for making time in your schedule to come along to Balhousie Castle, the Home of the Black Watch, and for giving us such a wonderful performance. Our visitors, and the staff who were lucky enough to see you, all thoroughly enjoyed both the music and the dancing.

Our mission is to deliver welfare to those in need, encourage comradeship and maintain memorials, the principle one of which is to sustain the Home of The Black Watch, here at Balhousie Castle, for current and future generations, and by visiting and performing you have supported us in these aims. I am very grateful.

I hope your visit to Scotland this year was a success and that all those involved had an enjoyable time – and are looking forward to 2024's tour!

Kind Regards,

Anne Kinnes
